

Spiritual and Pastoral Care A Ministry of Presence

Spiritual Care Ministry

At the core of everything we do is our faith. We offer spiritual care and pastoral support to patients, staff, students, and volunteers – meeting them at their point of need, regardless of faith or belief. This ministry of prayer, compassion, and presence is rooted in Christian values delivered with deep respect for people of all backgrounds. Our pastoral care team acts as a vital bridge in an individual's faith journey, designed to move people from times of struggle, loneliness, or stagnation toward a deeper, more intimate relationship with God
